Photographs

There is no official photographer for the reception, so please take many photos *and* videos to help us remember this night for years to come. If you have a smartphone, download the WedPics app and you can immediately share the photos to our wedding album, using the ID **april5kandd**.

There are also 20 Digital Cameras that have been hired which you can use, whether or not you have a camera of your own. We'd like all of these full by the end of the night!

Activities for Children

We have put a few games & sticker / colouring books on the *Activities Table*, which is on the right side of the Top Table. Please feel free to help yourselves to any of these. If they have a sticker on saying 'Please take me home', you are welcome to keep them for ever!
